

## **Report on – Git & GitHub Workshop – CSI DBIT**

**Title:** Git & GitHub Workshop

**Date:** 23<sup>th</sup> July 2025

**Time:** 11:15 AM - 01:15 PM

**Venue:** IT Lab 04 and IT Lab 06

**Target Audience:** Second Year students of all departments

**No. of Participants Present:** 57

**No. of Girl Participants Present:** 31

**No. of Boy Participants Present:** 23

**Resource Person:** Mr. Vedant Ghuge, Mr. Chetan Chaudhari

**Organization of Recourse Person:** TE-IT DBIT students

**Organizing Department / Committee / Authority:** Computer Society of India (CSI-DBIT Student Chapter), Department of Information Technology

**Faculty Coordinator:** Prof. Udaychandra Nayak, Student Branch Counselor

### **Objectives:**

- ❖ To provide participants with a clear understanding of Git and GitHub, enabling effective version control practices.
- ❖ To train students to create, commit, and manage changes in local repositories confidently.
- ❖ To Equip attendees to collaborate on GitHub, performing tasks such as push, pull, and managing pull requests.
- ❖ Enhance practical skills and prepare students for real-world collaborative coding environments.

### **Outcomes:**

- ❖ Students are able to effectively use Version Control Systems (VCS) through Git, including creating repositories, committing changes, branching, and managing project history.
- ❖ Students are now capable of collaborating on projects using GitHub, handling pull requests, contributing to open-source projects, and working efficiently in team-based environments.

### Detailed Report:

The Git & GitHub Workshop was organized by CSI-DBIT on July 23, 2025 (Wednesday) from 11:15 AM to 01:15 PM at IT Lab 04 & IT Lab 06, 3rd Floor, A Wing, Don Bosco Institute of Technology (DBIT), Kurla. The session was coordinated by Prof. Udaychandra Nayak, CSI-DBIT Student Branch Counselor.

### Session Highlights

The workshop witnessed enthusiastic participation from students across multiple departments, creating an engaging and collaborative learning environment. Attendees explored both theoretical concepts and practical aspects of version control, including Git commands, repository management, and collaboration workflows on GitHub. The hands-on exercises provided real-world experience, enabling students to work confidently on projects and contribute to open-source platforms.

### Hands-On Git Challenge

Participants practiced a real-world Git workflow involving repository setup, branching, committing, pushing, and managing pull requests collaboratively, with a prize pool of ₹3000.

**Winners: First Prize (₹2000):** Tanmay Tajane (SE-IT) and Ashlesha Tambat (SE-EXTC).

### Feedback Analysis:

Participant feedback for the Git & GitHub Workshop was overwhelmingly positive. The session was lauded for its helpfulness and for providing a valuable, distinct, and necessary learning experience. Specific comments highlighted the clarity of explanations and the practical utility of the content covered. Key comments included: "The session was very helpful," and "It was a good experience something different and necessary."
